Hope station, Clarendon Hills station, Roslindale station, Hazelwood station, and in Hyde Park, on the New England Railroad and the Providence Railroad; prices from 2 cents to 50 cents per foot; all within easy access of the above named stations; fares are the lowest in Boston, being only 5 cents to Jamaica Plain and 10 cents to Hyde Park; investigation will prove that it pays to be your own landlord; build a home instead of paying rents, thereby making a saving of fifty per cent., beside acquiring habits of economy, and establishing your family in a permanent home; money invested in savings banks or bonds will pay 3 or 4 per cent.; money invested in houses will pay from 8 to 10 per cent. Land sold on monthly installments; plans and specifications furnished; lots from \$100 upward on installments of \$10 per month; none of the lots offered are in the woods, but on good streets and in settled communities, those at Jamaica Plain being especially desirable, as they are not two minutes from the business centre. Call and see plan of Queen Anne style of house of nine rooms, besides laundry and bath room; hot and cold water, furnace and open fire place; warranted to be built in the most thorough manner, under the superintendence of a well-known architect, for from \$3,500 to \$5,000, according to location. TOWN OF HYDE PARK.

The town of Hyde Park, county of Norfolk, is situated on the line of the Boston and Providence and New York and New England railroads, about eight miles from State street, Boston, and is a thriving and enterprising town of eight thousand inhabitants. The place was incorporated April 22, 1868, from territory taken in part from the towns of Dorchester, Milton and Dedham. May 25th last was the twenty-seventh anniversary of the building of the first house in the town, in what is known as the Fairmount district, which event was the beginning of the place. The first school was begun in the spring of the year 1857. The Real Estate and Building Company, which was the leading spirit in promoting the growth of the town, was formed in 1857 and incorporated in 1861. The first religious meeting was held in June, 1857.

Few towns in the Commonwealth can boast of a finer or more healthful location, or more natural beauties of situation and of scenery than the town of Hyde Park. Its growth the past few years has been rapid and healthful, due in a great measure to its excellent graded schools, public library, churches, halls, highways, "Improvement Society," and last, but not least, its unsurpassed railroad facilities. The two well-managed railroads furnish a better railway service for the people of the town of Hyde Park than is enjoyed by those of any other town in New England.
